NINETEENTH DAY.

(Continued.)

(Tuesday, May 21, 1929.)

The House met at 10 o'clock a. m. and was called to order by Speaker Barron.

REPORT OF THE COMMITTEE ON STATE AFFAIRS.

The Speaker laid before the House,

for consideration at this time, the following report:

Committee Room,

Austin, Texas, May 17, 1929.

To the Speaker and Members of the House of the Forty-first Legislature, First Special Session:

We, your Committee on State Affairs, have endeavored to investigate certain alleged charges purporting to come from one C. D. Neff, wherein certain State officials, towit, members of the Secretary of State's Department and Attorney General's Department, have been charged by him with incompetency and unfair administration, principally of what is known as the Blue Sky Law of the State of Texas, beg to report as follows:

The resolution is of such limited nature and the authority given is so meagre that this committee felt that other than by voluntary appearance, it had no power to conduct a complete investigation of the charges thus purported to have been made. The resolution does not authorize the subpoenaing and swearing of witnesses, nor the issuance of compulsory process for their attendance, nor does it authorize this committee to make a report of its investigation. In connection with the discussion of the blue sky bill then pending before said committee, we stated to Neff and certain other parties who appeared before us, that if they cared to voluntarily appear and be interrogated under oath with reference to said charges, the committee would hear them. This they agreed to do and their testimony was reduced to writing, in question and answer form, to which is attached to the original various letters and other documentary evidence introduced, which original, together with four copies of said evidence are herewith tendered and requested to be filed with the Chief Clerk, so as to be available to the Legislature in the future. We are not inclined to file a detailed statement of our conclusions to be deducted from the evidence taken, because of the shortness of the time in which we had to make the investigation and the limited power given us to investigate under the resolution.

We will state on the investigation we have made, we have failed to find any evidence showing any alleged incompetency, misconduct or violation of the law, or any acts involving moral turpitude on the part of any of the officers or employees whose acts have been questioned in this matter.

We therefore ask that this report be accepted.

The House adopted the report.

PROVIDING FOR POST-SESSION WORK.

Mr. Davis offered the following resolution:

Whereas, It is necessary that certain officers and employes perform certain duties in order to complete the work of their departments and to have everything ready for the opening of the Second Called Session of the Forty-first Legislature; now, therefore, be it

Resolved, That the following officers and employes be retained after the adjournment of this session and before the opening of the Second Called Session, not to exceed the number of days herein specified:

The Chief Clerk, five days, for the purpose of collecting and arranging all bills, resolutions and petitions in her possession, and delivering the same to the Secretary of State, and to complete duties imposed upon her by resolutions heretofore adopted, and the Assistant Chief Clerk, two days, to assist her.

The Calendar Clerk, two days and Assistant Calendar Clerk, one day, for the purpose of completing their records and delivering to the Chief Clerk all bills, resolutions, etc., in their possession.

The clerk to the Committee on Contingent Expense, three days, for the purpose of checking and posting up accounts, mailing out vouchers and closing up as nearly as possible the affairs of the Contingent Expense Committee.

The Warrant Clerk, four days, for the purpose of completing the posting of her books.

The Mailing Clerk and the Assistant Mailing Clerk, two days each, for the purpose of mailing out House Journals not received from the printer until after sine die adjournment.

The Engrossing Clerk and the Enrolling Clerk, one day each, for the purpose of completing the work in their department and delivering all bills, resolutions, etc., to the Chief Clerk.

The secretary, clerk, page and porter to the Speaker, one day each, to assist him in winding up the affairs of his office.

The Sergeant-at-Arms, four days, and the bookkeeper to the Sergeant-at-Arms for five days, and they shall be charged with the duty of arranging for publica-

tion in the Journal of such stationery and supply accounts as are now required to be published, or which have been ordered published by the House; also the expense account for the stationery and supplies for each member or employe of the First Called Session. The Sergeant-at-Arms shall collect all supplies and stationery left over and remaining, which shall be locked in the Sergeant-at-Arms' room for use in the Second Called Session.

The Sergeant-at-Arms may retain three porters for three days and two porters for two days.

That the Superintendent of the Hall and one porter shall be retained for the full period between the First and Second Called Sessions and they shall act as custodians and caretakers, respectively, for the Hall and the House of Representatives and connecting rooms.

That the Journal Clerk and his assistant shall be retained for the full period between the First and Second Called Sessions for the purpose of correcting and indexing and the supervision of the publication of the Journals of the House of Representatives of the Regular and First Called Sessions of the Forty-first Legislature.

That each employe so retained shall receive the same amount of salary as received for like work during this session to be paid out of the sum appropriated for mileage and per diem of the members and officers and employes of the First Called Session of the Forty-first Legislature, and the amount to be paid by warrants to be signed by the Speaker and the Chief Clerk of the House.

The resolution was read second time.

Mr. McCombs offered the following amendment to the resolution:

Amend resolution by changing Chief Clerk's time from "five" to "ten" days.

The amendment was adopted.

The resolution as amended was then adopted.

PROVIDING PAYING OF REPORTERS ON TESTIMONY.

Mr. Storey offered the following resolution:

Whereas, In taking down the testimony in the investigation growing out of the C. D. Neff letters, it became necessary to have reporters to take same down; and it appearing to the Speaker and members of the committee that Mrs. Ed Kilman and Mrs. B. J. Rupert, who are employes of the House, could take down and transcribe said evidence, they

were, therefore, authorized to take same down; they worked until 12 o'clock Friday night, May 10th, and 12 a. m. Saturday, May 11th, 1929, and thereafter spent some three and one-half days transcribing same; but also drew their pay as stenographers of the House. The work, according to fees allowed reporters, aggregates about \$90 for taking down and transcribing said evidence, during which time they drew \$20 each from the House, leaving a difference in what they drew and the work was worth of \$25 each due them; therefore, be it

Resolved, That they be allowed said amounts for said work out of the contingent expense funds.

Signed—Storey, Negley.

The resolution was read second time, and was adopted.

PROVIDING FOR COMMITTEE ON CLAIMS AND ACCOUNTS TO WORK BETWEEN SESSIONS.

Mr. Waddell offered the following resolution:

Whereas, The miscellaneous claims bill is composed of various items, small and large, the amounts of which must be exact and the wording of the claim in the bill made to conform to the amounts in the claim to insure the proper payment of the claim, necessitating a large amount of checking and rechecking in order to draw a bill correctly; and

Whereas, There are over two hundred individual claims filed with the Committee for consideration, which up to the present time have not been thoroughly considered by the Committee; and

Whereas, It would be to the best interest of the State that all claims should be gone into with the closest scrutiny before final approval or disapproval; therefore, be it

Resolved, That the Committee on Claims and Accounts be empowered to sit for a maximum time of ten days immediately following the adjournment of this session to properly recheck the items already approved and incorporate them in bill form, and also to pass upon the claims made against the State, but not yet considered by the Committee; and

Resolved further, That each member of said Committee be entitled to receive all necessary and reasonable expenses incurred in the performance of his duties as a member of said Committee; provided, however, that each member shall present a statement of the expenses incurred by him while in the performance of his duties as a member of said Committee; and be it

Further resolved, That the Speaker of the House shall appoint a committee clerk, the payment of whom shall be the same as provided for similar services of employees of the House at this session; and be it

Further resolved, That said expenses as herein provided for be paid out of the contingent expense fund of the House, as provided by law and the Rules of the House.

RELATIVE TO FIRE ESCAPES ON
CERTAIN BUILDING.

Mr. Quinn offered the following reso-
lution:

Whereas, The State fire escape law
applies to all State buildings, and it is
a question as to whether it applies to

church buildings used exclusively for
public worship; and

Whereas, Our State Capitol building
is constructed in a way that a fire
escape cannot be constructed without de-
tracting from the looks of the building;
and

Whereas, We believe that a fire escape
on our State Capitol would be abso-
lutely useless and unnecessary, and we
also believe that a fire escape placed on
many of our beautiful fireproof churches
in the State would not only detract from
the appearance of the buildings, but
would be a useless expenditure of
money; therefore, be it

Resolved, by the House of Repre-
sentatives, That we recommend to the
State Fire Insurance Commissioner to
not disfigure our beautiful Capitol
building and many of our beautiful
fireproof churches with fire escapes, and
that he recommend to his deputies over
the State not to compel officials of fire-
proof churches to construct fire escapes
unless the said churches are more than
two stories, in addition to basement and
balcony.

din, Veatch, Snelgrove, Renfro, Carpen-

Donald, Finn, Gates, Dunlap, Rogers,

The resolution was read second time.

Mr. McCombs raised a point of order
on consideration of the resolution on
the ground that you cannot suspend the
operation of a law by a resolution.

The Speaker sustained the point of
order.
